Part Time

What is the course about?

This exciting practical course gives you the opportunity to experience and experiment with Jewellery in a variety of creative ways. Now you have learnt the skills from the intro and next steps course, you will design and make a range of your own designs in copper and aluminium jewellery.

Why should I choose the course?

This is an advanced course aimed at adults aged 19 and over who enjoy learning new skills and techniques, with the intention to design and make copper and aluminium jewellery.

What will I learn?

During the course you will learn through demonstrations and practical making techniques which include;

- Creative research and design skills
- Re-cap on all jewellery making techniques
- Explore in greater depth areas of Jewellery making
- Develop enhanced hand making skills
- Combined materials such as glass and porcelain

What will the course lead on to?

On completion of this course you may wish to complete further non-accredited course. Alternatively you may wish to apply for an accredited Level 1 NCFE Art course.

What support is available?

We have a team of staff dedicated to providing learning support if required, as well as a Welfare Team that is on hand to offer guidance, support and help when needed. Additionally, eligible students can access a wide range of finance and funding support to help them during their time at college.
