Part Time

What is the course about?

Unlock your creativity and build essential woodworking skills with our Carpentry & Joinery course, proudly supported by Ted Todd, a leading name in premium wood flooring based in Warrington.

This hands-on course is perfect for beginners and those looking to develop their craftsmanship. You'll gain fundamental skills in carpentry and joinery, from working with different types of wood to mastering essential techniques such as cutting, shaping, and assembling.

During the course you will gain the knowledge and confidence to create a small piece of furniture or a decorative item for your home to take away with you —something unique, handcrafted, and built to last.

Why should I choose the course?

Hands-On Learning: Gain practical experience in carpentry and joinery, working with real materials and tools.

Create Something Unique: By the end of the course, you'll have handcrafted your own small piece of furniture or decorative item to take home.

Industry Support: Supported by Ted Todd, a renowned UK-based wood flooring company, ensuring high-quality materials and expert insights.

Boost Your Confidence & Creativity: Learn the skills to tackle DIY projects with precision and flair, giving you the confidence to take on future woodworking challenges.

What will I learn?

Essential Carpentry & Joinery Skills: Master the fundamentals of working with wood, including measuring, cutting, and assembling.

Hand & Power Tool Techniques: Learn how to safely and effectively use a range of tools, from chisels and saws to drills and sanders.

Precision & Accuracy: Develop the skills to work with accuracy, ensuring high-quality craftsmanship in every project.

Working with Different Materials: Understand various wood types and their applications in furniture making and decorative work.

Reading & Interpreting Plans: Gain confidence in understanding technical drawings and creating your own designs.

Create Your Own Project: Apply your skills to craft a small piece of furniture or a decorative item to take home.

What will the course lead on to?

Completing this course could enable you to progress on to our adult Level 2 Carpentry & Joinery course.

With the skills you will learn, you could even start a small business to boost your household income.

Whether you want to pursue a career in carpentry and joinery or develop your DIY skills, this course provides a strong foundation for further learning or employment.

Are there any links with industry and university?

This course is being supported by Ted Todd, Warrington based wooden floor specialist, who have donated high-quality materials to the college.

What support is available?

What support is available? We have a team of staff dedicated to providing learning support if required, as well as a Welfare Team that is on hand to offer guidance, support and help when needed. Additionally, eligible students can access a wide range of finance and funding support to help them during their time at college.

Further information can be located here: [College Life](#)

As an adult student, you will also have access to our online tutorial programme Amplify, as well as the option to speak to our Careers Team.
