What is the course about?

Creative Connections is a course for adults with additional needs who enjoy being creative and would like to explore different art techniques and mediums in a friendly and relaxed environment. At the end of the course, an end of year exhibition will be held at Winsford Library where your art work will be on display for members of the public to come and view.

Why should I choose the course?

The purpose of this course is to provide you with the opportunity to engage in creative activities. Participating in creative activities helps to bring a sense of achievement and boost your self-esteem. Additionally, these activities offer opportunities for social interaction and integration, helping you build friendships and feel connected to your community and feel proud of what you have accomplished.

What will I learn?

You will learn how to:

- Use mixed media to create artworks
- Learn drawing and painting techniques
- Create personalised artworks and crafts
- Create 2D and 3D artworks
- Capture photographic images

What will the course lead on to?

Engaging in creative pursuits can offer a pathway to personal growth, fulfilment and social connections. This course will allow the individuals who take part to embrace their uniqueness, express themselves and contribute to an end goal of a final art exhibition.

What support is available?

We have a team of staff dedicated to providing learning support if required, as well as a Welfare Team that is on hand to offer guidance, support and help when needed. Additionally, eligible students can access a wide range of finance and funding support to help them during their time at college.
