

What is the course about?

This short course for adults is designed to provide practical advice and creative ideas to parents and carers to help support their young child's development. Through creative learning techniques, you will explore ways to enhance your child's creativity, wellbeing, and confidence in a supportive and enjoyable environment.

Why should I choose the course?

You should choose to study this short course if you are a parent or carer of a young child, or simply interested in children's development. Whoever you are, this course offers accessible and practical guidance.

What will I learn?

During the five weeks, you will explore a range of topics, including:

- Arts, crafts, and storytelling techniques
- Learning through play and its importance in early development
- Activities to build confidence and encourage self-expression.

What will the course lead on to?

This short child's development course can help build your confidence and may inspire you to progress on to further courses in areas such as childcare, early years education, or family learning.
