What is the course about?

Flowers from Around the World part 3 has been designed for Learners who have attended and completed the Basics, Design & concepts and Advanced courses and wish and to continue to develop their skills with design with flowers from around the world.

Why should I choose the course?

The course will help you continue to develop skills and techniques learnt on the basics, design & concepts and advanced courses and put them into practice with designs and arrangements from various countries, and for part 3 the countries are Hawaii, Africa, England, Greek and Denmark.

What will I learn?

During the course you will:

- Develop floristry techniques to enable you to produce a variety of floral themed designs based on the county.
- Identify and complete floristry techniques and design principles in each design
- Discuss floral material used in the designs and how to make the best of your floral material including how to take care of your design.
- Learn how to cost one design to be sold, showing the breakdown of cost to make a profit and include labour charge.
- Look at using sustainable materials and how they can be incorporated in your designs

You will be informally assessed by the tutor, and you will also self-assess your weekly progress using an individual learning plan.

What will the course lead on to?

The course leads onto further themed short courses such as Spring, Summer, Wedding and Christmas, depending on which courses are available during the terms in the academic year.

The course will give you a basic skill to enable you to progress onto an accredited course with another provider.

What support is available?

We have a team of staff dedicated to providing learning support if required, as well as a Welfare Team that is on hand to offer guidance, support and help when needed. Additionally, eligible students can access a wide range of finance and funding support
