What is the course about?

This qualification is perfect for those who have management responsibilities but no formal training and are eager to strengthen their leadership and management skills. Whether you're a team leader looking to take the next step in your career or a manager navigating challenges like organisational change, budget cuts, or other pressures, this course will give you the practical tools and confidence you need to succeed at a higher level. It's your opportunity to develop the skills necessary to lead with impact, make better decisions, and drive your team toward success.

Why should I choose the course?

If you're in a management role but haven't received formal training, this course is the perfect opportunity to develop your leadership and management skills. It's designed for those who are serious about advancing their career, whether you're a team leader ready to move up to the next level or a manager facing challenges like organisational change or budget cuts. By studying this course, you'll gain practical tools and knowledge to navigate these challenges with confidence, improve your decision-making, and lead your team to success.

This course is delivered online, featuring live sessions with your tutor, engaging interactive group work, and a range of blended learning opportunities through Google Classroom. You'll have the flexibility to learn at your own pace while staying connected and supported every step of the way.

What will I learn?

This course will enhance your understanding of the organisational environment while helping you develop the skills to effectively lead and motivate a team.

Key areas covered include:

- Different approaches to leadership
- Key leadership qualities
- Communicating the organisation's vision and strategy
- Developing and motivating a team

You will study two core units, which may include the following, depending on when you join the course:

- Understanding Leadership
- Understanding the Organisation and Its Context
- Leading and Motivating a Team
- Understanding Mental Health in the Workplace

Assessment is through written assignments, and upon completion of the award, you will receive 4 credit values.
