What is the course about?

This qualification is perfect for those who have management responsibilities but lack formal training and are committed to enhancing their leadership and management skills. It's especially suited for current team leaders looking to take the next step in their career, as well as managers who need to effectively lead their teams through challenges such as organisational change, budget cuts, or other pressures. If you're ready to develop the expertise to lead with confidence and drive success, this course will provide you with the tools you need to excel.

Why should I choose the course?

If you're already in a management role but haven't received formal training, this course is the perfect opportunity to level up your leadership skills. Whether you're a team leader looking to progress to the next management tier, or a manager navigating organisational challenges like change or budget cuts, this qualification is designed to equip you with the practical tools and knowledge to lead effectively.

By completing this course, you'll gain the confidence and skills needed to handle complex management situations, enhance your decision-making, and prepare for greater responsibilities. It's a great way to invest in your career and stand out as a capable and well-trained leader in any organisation.

This course is delivered online, featuring live sessions with your tutor, engaging interactive group work, and a range of blended learning opportunities through Google Classroom. You'll have the flexibility to learn at your own pace while staying connected and supported every step of the way.

What will I learn?

On this course, you will develop a wide range of essential management skills, apply them directly to your current role, and enhance your leadership capabilities. By learning how to motivate and engage teams, manage relationships with confidence, and refine your leadership style based on your own values and motivations, you'll see tangible improvements in both your professional growth and team dynamics. The impact for your employer will be evident through empowered, confident first-line managers, improved team communication and relationships, and measurable, positive results.

The 6 units you will complete are:

1. Understanding Leadership
2. Understanding the Organisation and its Context
3. Leading and Motivating a Team
4. Understanding Mental Health in the Workplace
5. Setting Team Objectives in the Workplace
6. Delegating Authority in the Workplace.
