What is the course about?

This short adult course introduces beginners to styling hair for special occasions, such as styling bridal hair or styling hair for prom. It offers foundational knowledge and practical skills for anyone interested in learning to style their own hair or the hair of friends and family for special occasions.

Why should I choose the course?

You should choose this adult course because it offers a welcoming and practical introduction to styling hair for special occasions like weddings and proms, even if you have no previous experience. It's specifically designed for beginners, making it easy to follow and accessible to anyone interested in developing new skills.

By taking part, you'll gain foundational knowledge and hands-on techniques that will help you confidently style hair for special occasions. This makes the course both personally useful and socially rewarding.

What will I learn?

On this hairdressing adult course you'll learn essential techniques for styling hair effectively for special occasions such as weddings and proms.

What will the course lead on to?

After completion of this course, you may wish to progress to another hairdressing or barbering course at the college. [Click here to view all the courses currently available.](#)
