What is the course about?

Collages are pieces of art created by combining and layering different materials. This part-time Introduction to Collage course invites you to explore the basics of collage through hands-on experimentation with papers and found materials. You will learn about collage and how this can be used to create a variety of interesting imagery. If you've been looking for collage classes for beginners in Winsford, you've just found the ideal one!

Why should I choose the course?

You should choose this course if you've been searching for art and design courses in Winsford. On this part-time adult course, you will hone your collage craft with expert guidance. Our well-established art department features experienced tutors who provide supportive teaching in a friendly, welcoming environment. Whether you're new to creating collages or you are looking to deepen your knowledge, you'll find a place here.

What will I learn?

On this part-time adult course, you will be introduced to a range of collage techniques and processes. You will produce artwork to take away with you each session.

What will the course lead on to?

On completion of this course, you may be interested in completing another short adult course such as our Next Steps in Collage course, or you may wish to progress onto our Level 1 Creative Craft Art & Design course, which is the perfect follow on.
