What is the course about?

This part-time introductory art and design course invites you to discover the fundamentals of drawing and sketching through creative, hands-on experimentation.

Why should I choose the course?

If you're passionate about art and design and eager to develop your skills with expert support, this course is an excellent choice. Our well-established art department is home to experienced tutors who offer encouraging, personalised guidance in a friendly and welcoming environment. Whether you're completely new to the subject or looking to build on existing knowledge, you'll feel right at home here.

What will I learn?

You'll explore a variety of drawing and sketching techniques and processes, gaining practical experience each step of the way. Every session gives you the chance to create artwork to take home and reflect on your progress.

What will the course lead on to?

After completing this course, you may choose to continue your creative journey through one of our other introductory or next step courses. It also provides the perfect foundation for progressing onto our Level 1 Creative Craft Art & Design course, designed as a natural continuation of your learning.

What support is available?

We always put learning at the centre of all we do. We have dedicated and passionate teaching staff who are practicing artists in their own right. All teaching staff bring a wealth of both industry and educational experience to the department, ensuring that you will have an excellent learning experience with us. We have fully equipped and spacious studios and a dedicated art technician to further support you during your time with us.

What are the entry requirements?

There are no entry requirements besides a genuine interest in art and design.
