What is the course about?

This practical course will introduce you to the versatile media of soft pastels. You will be introduced to the fundamentals of drawing using soft pastels, including mark making techniques, blending, colour theory and creating the illusion of depth in your work.

Why should I choose the course?

This course is aimed at adults aged 19 and over who enjoy learning new skills and techniques, with the intention to produce soft pastel drawings.

What will I learn?

During the course you will learn through demonstrations and practical work. Key skills will include:

- Mapping out a composition for soft pastel study
- Building up a soft pastel study through mark making, blending and tonality.
- Colour theory including strategies for creating serenity and calmness versus energy and impact.
- Capturing a range of given and personally chosen subjects through use of soft pastels

What will the course lead on to?

Next Steps Pastels ACL course.

Why should I choose to study the course at Warrington & Vale Royal College?

This course will be delivered by highly talented, experienced and passionate staff, who are here to help you maximize your potential in pastel drawing.

You will develop a range of knowledge and skills to better prepare you for future employment. Soft pastels are also widely recognised as an incredibly popular and commercially viable form of artwork. You could really develop your approach and look at selling your pastel studies in the future!
