What is the course about?

Still life drawing involves creating artwork from a carefully arranged selection of non-living objects, such as fruit, bottles, or household items, with attention to composition and detail. This part-time introductory art and design course invites you to explore the basics of drawing and sketching through hands-on experimentation with a focus on drawing from still life. If you've been looking for still life drawing classes in Winsford, you have found the perfect place!

Why should I choose the course?

If you are interested in still life drawing classes and are a complete beginner, this part-time course will help you refine your craft with expert guidance. Our well-established art department features experienced tutors who provide supportive teaching in a friendly, welcoming environment. Whether you're new to still life drawing or looking to develop your skills, you'll find a place on this introductory course.

What will I learn?

Still life drawing for beginners! On this part-time adult course, you will be introduced to a range of drawing and sketching techniques and processes whilst working directly from primary sources in front of you. You will produce artwork to take away with you each session.

What will the course lead on to?

On completion of this still life drawing course for beginners, you may be interested in exploring more of our adult courses or progressing onto our Level 1 Creative Craft Art & Design course, which is the perfect follow on from this short course.
