What is the course about?

This qualification focuses on developing a person-centred approach to delivering high levels of personal care. If you work in the care sector or would like to in the future, this course is ideal for you.

Why should I choose the course?

As the UK sees an increasingly ageing population, the number of adults needing around-the-clock care is on the rise. As well as the need for medical care, there is also a need for high levels of personal care to allow those who need support to live as comfortably as possible. This course will equip you with the skills you need to provide high-quality personal care.

What will I learn?

This course covers a range of personal care modules, including:

- Understanding person-centred care
- Supporting personal hygiene
- Understanding foot care for individuals
- Support individuals to maintain oral health
- Pressure area care
- Understanding sepsis.

What will the course lead on to?

If you are already employed within this sector or hope to be in the future, this course will boost your skills and make a valuable addition to your CV. If you wish to study further, we have a range of relevant qualifications across this subject area, which can be viewed on our website. For more information, contact our Learner Services Team on 01925 494400 or learner.services@wvr.ac.uk.

What support is available?

We have a team of staff dedicated to providing learning support if required, as well as a Welfare Team that is on hand to offer guidance, support and help when needed. Additionally, eligible students can access a wide range of finance and funding support to help them during their time at college.
