What is the course about?

The NCFE CACHE Level 2 Certificate in Understanding Autism is designed to provide you with a comprehensive understanding of autism and the principles of supporting individuals with autism

Within this course you will look at the person-centred approach and influence of positive communication methods, how to support positive behaviour, and how individuals with autism can be supported to live healthy and fulfilled lives.

This is a knowledge-only qualification and you will be assigned a subject specialist course tutor who will deliver the live scheduled sessions.

Why should I choose the course?

Choosing this course will help you develop a deep understanding of autism, which is increasingly relevant in a variety of fields, including healthcare, education, and social services. The qualification is ideal for those who want to develop skills in supporting people with autism and make a real difference in their lives. It provides an opportunity to improve career prospects, increase employability, and enhance personal knowledge and skills.

What will I learn?

This course is made up of six units:

- Introduction to Autism

- Using a Person-Centred Approach to Support Individuals with Autism

- Communication and Social Interaction in Individuals with Autism
