

LEVEL 3 AWARD IN EFFECTIVE MENTORING

Subject Area
Student Type
Study Mode

Business &
Professional
Adults
Online Learning

What is the course about?

This programme will provide students with the required knowledge, skills and understanding in order to effectively mentor others within an organisational context. The taught sessions will help to develop students mentoring knowledge, skills and understanding in order to enhance their ability and confidence in mentoring. The qualifications are ideal for both new and existing mentors.

Benefits to employers involve having staff developed as mentors equipped with the skills knowledge and behaviours to implement a mentoring culture with the organisation.

Why should I choose the course?

This course will be delivered online with fortnightly live sessions with the tutor, interactive group work and blended learning opportunities in the google classroom.

What will I learn?

You will learn what it takes to be an effective mentor, how mentoring works, how to use a recognised mentoring model, and the tools and techniques to support it. There will be opportunities to put your new skills into practice and carry out supervised mentoring sessions and be able to analyse your own mentoring performance in order to improve own ability.

The 3 units you will undertake are:

300 - Understanding Good Practice in Mentoring within an Organisational Context

301 - Undertaking Mentoring within an Organisational Context

303 - Reflecting on Mentoring Skills within an Organisational Context

What will the course lead on to?

Successful completion of this course allows progression to ILM Level 3 Award in Effective Coaching and a level 5 Certificate in Effective Coaching and Mentoring.

Are there any links with industry and university?

Why should I choose to study the course at Warrington & Vale Royal College?

The college offers a range of flexible learning opportunities to students. Professional qualifications are supported through digital virtual learning environments and digital learning tools. Our tutors are highly experienced and skilled in their specialist professional sectors and enhance the courses they teach on with their excellent industry links.

What are the entry requirements?

There are no formal entry requirements to study on this course, however a course discussion is required to ensure you are suitable to study at this level.

Students must be in a position to meet the assessment demands of the qualification which requires access to a maximum of 2 mentees for 6 hours of mentoring.

Are there any additional costs associated with the course?

There are no additional costs associated with this course.
