What is the course about?

The Level 3 Supporting Teaching and Learning in Schools Certificate is suitable for you if you are recently employed as a teaching assistant or learning support assistant, or if you wish to gain employment in a school. The course will require you to show competence in both knowledge and skills.

The location of the placement will need to be within a reasonable distance from Warrington & Vale Royal college campuses as workplace observation is required and attendance will be required at the Warrington campus 1 evening per month (usually the first Wednesday or Thursday of every month).

Our Tuesday evening class will be delivered via an online workshop through Google Meet the first Tuesday of every month.

You will also be required to provide evidence of an Enhanced DBS. If you do not have a DBS, the college will process this as part of your enrolment for a fee of £38.00.

The course is delivered online through Google Classroom and an e-portfolio, therefore a PC with internet access is required. The course has various start dates throughout the year.
