What is the course about?

The mental health crisis is becoming increasingly prevalent in the UK, with one in four adults experiencing a mental health problem each year. The Level 3 Certificate in Understanding Mental Health is designed to provide a greater awareness of mental health issues and the importance of mental wellbeing. As a student on this course, you will build a knowledge base that can be used in a variety of occupational roles, gaining and understanding of the skills needed to work in mental health services. In addition, you will gain knowledge of the importance of addressing mental health problems and how legislation and publicity are changing attitudes towards those seeking treatment.

Why should I choose the course?

You will achieve a nationally recognised Level 3 qualification, further your professional development and learn at a time that suits you, without the need to attend college.

What will I learn?

Topics will include:

- Understanding the context of mental health and wellbeing
- The promotion of mental health and wellbeing
- Mental health problems, associated issues, and consequences
- Understanding mental ill health

Working in mental health.
