## What is the course about?

This course is suitable for students who have already attended the beginner's course and wish to pursue their interest in writing fact, fiction, or poetry. This course will further develop your skills and knowledge, enabling you to become a better creative writer.

## Why should I choose the course?

If you love writing and would like to take your skills to the next level, this is the right course for you. The course will enhance your writing skills and lead you towards the Advanced Creative Writing course, which will teach you how to get your work published.

## What will I learn?

During the course you will work with given themes as well as utilising independent thought and personal experiences to explore the written word.

You will undertake class tasks, studying different types of writing such as fictional, non-fictional and poetry.

You will be asked to write at home and bring written work back to class for both peer and tutor feedback.

If you would like more information on the learning outcomes, please email [ACLenquiries@wvr.ac.uk](mailto:ACLenquiries@wvr.ac.uk).

## What will the course lead on to?

After completing this course, you may wish to continue on to the Advanced Creative Writing course. A wide range of other accredited and non-accredited courses are available to enhance your learning.
