

What is the course about?

Looking to learn more about potty training? Not sure where to begin? This short potty training course supports parents and carers in helping their child take the important step towards toilet training with confidence.

Designed for families with children under 5, it offers guidance and reassurance as part of a series of supportive sessions focused on early childhood development at home.

Taught at Winsford Adult College, this course forms part of a wider under 5s parent programme, delivered in a supportive and non-judgemental environment to help build confidence and strengthen parenting skills.

Why should I choose the course?

This course is ideal for parents and carers who want to feel confident and supported as they guide their child through potty training.

You'll gain practical, easy-to-apply skills and reassurance to help you support your child's development at home, making the journey to toilet training a positive and manageable experience for both you and your child.

What will I learn?

On this supportive course, you will learn:

- How to recognise the signs that your child is ready to start potty training
- How to establish simple, consistent routines that support potty training success
- Practical ways to manage accidents calmly and confidently

Sessions are delivered in a relaxed, supportive environment.

What will the course lead on to?

This course will help parents and carers feel confident and prepared as they support their child through potty training.

By understanding signs of readiness, establishing consistent routines, and learning how to manage accidents calmly, you'll develop successful potty training strategies that encourage independence and support your child's development at home.

Why should I choose to study the course at Warrington & Vale Royal College?

Warrington & Vale Royal College offers a welcoming and supportive learning environment for parents and carers. The course is delivered by experienced early years professionals who understand children's development and the real life challenges families face.

With a strong focus on practical, easy to apply ideas, you'll gain confidence knowing you can use what you learn straight away at home to support your child's toilet training and feel ready to tackle potty training.

What are the entry requirements?

There are no formal entry requirements for this course. If you a parent or carer of a child under 5, this course is suitable for you. Please contact our friendly Learner Services Team on 01925 494 400 or learner.services@wvr.ac.uk to learn more.
