Full Time

What is the course about?

Our exciting new T Level Accounting is suitable for anyone wanting a career in the dynamic and analytical world of finance, payroll or accounting. This course is equivalent to three A levels and is delivered through a combination of classroom-based study and within the workplace through completion of an industry placement.

The course is delivered by expert teachers and industry specialists, and will broaden your options as you will cover a variety of topics and specialist areas. This means that when it comes to employment, you'll have the knowledge and skills to go wherever your ambitions take you.

Why should I choose the course?

This T Level course is delivered over two years and has been designed in collaboration with our expert teaching team, industry links and employers. Through a blend of classroom working and an extended industry placement, you will be fully prepared for a highly successful career within the accountancy sector.

You will develop knowledge and understanding of concepts, theories and principles, supporting practical application of skills, both within the classroom setting and within an extended Industry placement. This will ensure that you are fully equipped for your next steps.

What will I learn?

Topics covered will include:

- The business environment
- Careers within the finance and accounting professions
- Regulations
- Professionalism and ethics/equality, diversity and inclusion
- Security and risk
- Professional services
- Fundamentals of law
- Fundamentals of financial accounting
- Technology
- Data driven innovation/analytics and design thinking
- Research skills
- Project/change management and administration
- Fundamentals of financial accounting.

You'll also focus on an occupational specialism - Assistant Accountant - which includes the following specialist modules:

- Produce and analyse a trial balance
- Prepare primary financial statements
- Analyse business performance and present results
- Provide support to tax and audit functions
- Prepare computations for payroll.

What will the course lead on to?

The T Level Accounting will fully prepare you for employment, higher education (including higher apprenticeships) and ultimately a dynamic career. Due to the broad range of topics covered on the course, you will be fully-equipped for roles in a variety of settings. You could work as:

- Payroll administrator
- Payroll junior
- Payroll officer
- Payroll clerk
- Assistant accountant
- Trainee accounting assistant
- Account clerk
- Cashier finance assistant
- Purchase ledger clerk

Are there any links with industry and university?

You will complete an extended industry placement, equivalent to 315 hours over two years. Whilst it is beneficial for you to self-source your own industry placement, you will have the support of an industry placement officer to provide the extra help in finding relevant industry placements if required. Within the placement you will apply your classroom-based skills and knowledge within an industry environment, giving you the experience to better prepare you for future employment.

What support is available?

You will be allocated a Progress Coach who will provide you with support to help you succeed on your study programme and progress on to your chosen career or progression path. We have a team of staff dedicated to providing learning support if required, as well as a Welfare Team that is on hand to offer guidance, support and help when needed. Additionally, eligible students can access a wide range of finance and funding support to help them during their time at college.
