What is the course about?

If you are keen to progress onto one of our T Level or apprenticeship courses within the business, professional and accountancy sector, but do not meet the entry requirements, or want to further develop your knowledge, skills and behaviours prior to progressing on to a T Level or apprenticeship, then this unique programme is perfect for you.

Why should I choose the course?

The T Level Foundation Year: Business, Professional & Accountancy has been developed collaboratively between our expert tutors, industry links and employers. You will have the opportunity to develop your English, maths and digital skills as a key aspect of your programme, in addition to developing the skills for successful study, positive attitudes and behaviours.

What will I learn?

During the programme you will develop industry-relevant knowledge, skills and behaviours related to the following key areas:

- Customer service skills
- Administration skills
- Bookkeeping skills

You also will continue to build your knowledge and skills in numeracy, literacy and language, in order to achieve your grade 4 GCSE qualifications in English and maths by the end of the course. You will be supported to develop positive attitudes and behaviours, with barriers around pastoral and personal development being addressed, to fully prepare you for a T Level or an apprenticeship course. You will also gain an AAT Level 1 Award in Business Skills as part of this course.

What will the course lead on to?

The course will fully prepare you with the skills, knowledge and behaviours required to progress onto one of the following routes:

- T Level Business Management & Administration
- T Level Accountancy
- Apprenticeship – Business Administrator
- Apprenticeship – Customer Service Practitioner
- Apprenticeship – Digital Marketer
- Apprenticeship – Accounts Finance Assistant
